**NEW ADULTS-ONLY EVENT AT CARNEGIE SCIENCE CENTER PUTS IRISH
TWIST ON BRUNCH**

BRUNCHOLOGY: IRELAND SHOWCASES CELTIC BRUNCH AND FILM SCREENING ON MAR. 27

PITTSBURGH, Mar. 14, 2022 – Brunch enthusiasts, friends, or couples looking to extend their St. Patrick's Day celebration are invited on Sun., Mar. 27 for Brunchology: IRELAND, a new event series for adults only that invites guests for brunch and live science demonstrations in [Carnegie Science Center's](#) scenic PointView Hall along with tickets to *IRELAND* at The Rangos Giant Cinema.

From **11 am to 1 pm**, visitors can start off with a Bloody Mary or mimosa and enjoy a delicious menu while taking in the best view of Pittsburgh's Golden Triangle. The menu includes traditional Irish fare— and all visitors will have one drink ticket. A cash bar is also available. After brunch, visitors can take in the sweeping views of the Emerald Isle in *IRELAND* at The Rangos Giant Cinema. Narrated by Liam Neeson, *IRELAND* details everything from illuminated manuscripts to the breathtaking landscape, all in 4K crystal-clear resolution on the largest Giant Screen in Western Pennsylvania.

Tickets for Brunchology: *IRELAND* are \$65 for Carnegie Museums of Pittsburgh Members and \$70 for Nonmembers. Tickets include brunch, admission to *IRELAND* at The Rangos Giant Cinema, and one drink ticket. Brunchology is an event for adults 21+. Proper identification must be presented for all alcohol purchases.

About Carnegie Science Center

Carnegie Science Center is dedicated to inspiring learning and curiosity by connecting science and technology with everyday life. By making science both relevant and fun, the Science Center's goal is to increase science literacy in the region and motivate young people to seek careers in science and technology. One of the four Carnegie Museums of Pittsburgh, the Science Center is Pittsburgh's premier science exploration destination, reaching more than 700,000 people annually through its hands-on exhibits, camps, classes, and off-site education programs.

Accessibility: Features for All

Carnegie Science Center welcomes all visitors. We work to assist visitors with disabilities in obtaining reasonable and appropriate accommodations, and in supporting equal access to services, programs, and activities. We welcome visitors in wheelchairs on the deck of our USS Requin (SS 481) submarine. Below-deck visits require full mobility. Hearing assistance devices are available for The Rangos Giant Cinema. Please ask when you buy your ticket.

Please note that requests for accommodations should be made at least two weeks prior to your visit. For

specific questions about wheelchairs, strollers, or other programmatic or equipment needs, see the ticket counter located on the first floor of the main building or contact Customer Service at 412.237.1641 or info@carnegiesciencecenter.org. Please contact Carnegie Museums of Pittsburgh's Accessibility Coordinator with concerns regarding accessibility for visitors with disabilities at the museums. On weekdays, call 412.622.6578 or email accessibility@carnegiemuseums.org.

About Carnegie Museums of Pittsburgh

Founded by Andrew Carnegie in 1895, [Carnegie Museums of Pittsburgh](#) is a family of four dynamic, distinctive museums: Carnegie Museum of Art, Carnegie Museum of Natural History, Carnegie Science Center, and The Andy Warhol Museum. The museums reach 1.5 million people a year through exhibitions, educational programs, outreach activities, and special events.
